:

Please look through the schedule and make sure these dates work with your schedule. If there is a conflict please notify Kim ASAP so that appropriate arrangements can be made to replace you!

As always, music will be in your boxes by Thursday, a week and a half, before you are scheduled to play. If you know that you are on the schedule, please make arrangements to pick up your music even if you are not in church the Sunday before. Let's continue to give our Savior our VERY best! (and that means listening and practicing and being prepared for Wednesday rehearsal!) You are all so very appreciated! Thank you for your time, your hearts for worship and your encouragement, both to me and to each other!
